EDI Announcement: Nevada Medicaid Dual Use for 5010 and D.0 Formats

The State of Nevada Department of Health and Human Services Division of Health Care Financing and Policy (DHCFP) has determined that, effective January 1, 2012, Nevada will accept Accredited Standards Committee (ASC) X12 Version 5010 and Version 4010 transactions, as well as National Council of Prescription Drug Programs (NCPDP) Version D.0 and Version 5.1 transactions.

Nevada will support the old and new formats of these transactions (Dual Use) at a minimum for the duration of the Discretion Period that was announced by the Centers for Medicare & Medicaid Services (CMS), which begins January 1, 2012, and continues through March 31, 2012. At this time, DHCFP has not determined whether Dual Use of these transaction formats will be supported beyond March 31, 2012.

Testing opportunities for both of the new telecommunications standards is currently available to Nevada Medicaid and Nevada Check Up Trading Partners as follows:

- Testing for pharmacy transactions in the NCPDP D.0 format is supported by SXC Health Solutions Inc. For more information regarding testing with SXC, you may send an email to Nevada.Medicaid@sx.com or call (775) 335-8537.
- Testing for ASC X12 5010 transactions is supported by EDIFECS Inc. through the EDIFECS Ramp Management Testing Solution. If you have not already received an invitation to test through Ramp Management, you may contact the help desk via email at nvmmis.edirampsupport@hp.com to request access to the tool and instructions.
